November 30, 2004

William Condra, Building Inspector
Town of Wilton

Dear Bill;

The Board of Selectmen support the issuance of the building permit to build a storage shed, to Paul LaFontaine of 323 Burton Highway. This support is based on consultations with the Planning Board, the Conservation Commission and the plot plan soil scientist review. We feel there is no infringement on the wetland setbacks.

Sincerely;

Jerry Greene, Chairman 
Board of Selectmen
