Wilton Zoning Board of Appeals
Wilton Town Offices
Wilton, NH 03086

Dear Board Members:

I live on Wilson Road adjacent to the Girl Scout camp and very close to the lot on Isaac Frye Highway where a graveling variance has been requested by Messrs Kahn and Kennedy.

I would like to register my objection to this variance. It has been only a short time since this zoning ordinance has been approved by a majority of the voters. To overturn it or weaken it in any way would constitute a gross violation of the trust the voters have put in the town's board members.

Further, Isaac Frye is totally inadequate to handle the heavy truck traffic proposed by the petitioners. Even with the recent repaving, the road is too narrow and the turn onto or off of Route 101 is dangerous under any circumstances. It is virtually impossible for a large truck to make a right hand turn onto Route 101 without crossing into the opposing lane of traffic or blocking the entrance to Isaac Frye Highway.

Please deny this application.

Sincerely,

Gregory A. Joas
