To: the Wilton Zoning Board

From: Philip & Virginia Brooks
202 Pettingill Hill Road
Lyndeborough, NH 03082
654-9745

We respectfully ask you to not give a variance for an asphalt plant.
No matter the height of a stack, gravity assures us that what goes up in
chemical smoke will come down over our heads and anything living.
It begins with each of us to stop destroying the earth we live on.

Thank you, hopefully you get to read this.
