Good Afternoon Norma,

While the Krol's have placed boulders at the entrance, used as an illegal driveway, across from my Farmer's porch, they continue to use the property commercially.
I have video on my cell phone showing this. Dump truck, backhoe, (I believe) and a flat bed are in and out of their property, almost daily.

I am providing you permission to allow Attorney Pasay to send me an affidavit.
I am willing to provide any assistance I can.

Glad you are back, and on the mend hopefully.

Respectfully,

Dawn Ohlund RN, BSN

Hi Dawn,

We are continuing the process of enforcing our zoning ordinances regarding your neighbors at 834 Mason Road. I have been out on medical leave for several weeks which caused more of a delay in this case.

The Town Attorney, Justin Pasay of Donahue, Tucker & Ciandella, asked me to contact you. With your permission, he will send you an affidavit. As you know, your input would be important evidence in this case.

Please don't hesitate to call me with any questions or concerns.

Thank you.

Norma
