Charlene,

Because of this Pandemic we are unable to meet a 91 –A request for viewing Town files in person. Many staff members are working remotely or not at all.

The links below contain minutes and agendas.

The minutes of the Planning Board and Select Board are available here:

https://www.wiltonnh.gov/government/minutes_and_agendas

The ZBA meeting minutes are available here: <https://wiltonzba.org/minutes/index.html>

I have searched your file and did not find a letter.

Attorney Darrin Brown was scheduled to come into our office in January but did not.

Sincerely,
Norma Ditri

Thank you Norma for forwarding these but they are not what I am looking for. We attended a meeting of either the selectman or P&Z April, May or June 2016. That is the meeting minutes I am looking for that talk about us being there and the letter that I might have received after the meeting with the disposition of the letter dated March 28 please forward that information to me

Thank you
