My name is Daniel Dillon , I live at above address. I am very unhappy and disturbed, with the progress on the driveway in question. this project was not properly monitored by the town of wilton, i am requesting this driveway only, be put back into motion immediatly, in my mind there are two projects involved, the driveway , and the house lot. the house lot should not affect the completion of the driveway. therefore i expect notice of work resuming within 30 days, and completion of driveway , within 60 days thereafter. i am speaking with an attorney on this matter, as this seriously affects the value of my property ! this circus is in my back yard ! I dont think anyone would tolerate this as long as i have ! i can only be reached by phone ! i do not have a computer, at this time. Daniel Dillon 603 952-7253 i could not complete connection to the meeting.
