Subject: Correction for the record from Last nights ZBA meeting regarding Case 5/11/21-1
Attachments: F-003-2.Aquifer Protection Overlay Map.pdf

Michele,

Would you kindly distribute the attached along with this email to the voting members of the ZBA regarding case 5/11/21-1.

Last night the applicant made a false and misleading statement that the Aquifer protection Zone only touched a small portion of his land. This statement is patently false, in fact the majority of his land is within the Aquifer Protection Zone as evidenced by the attached Aquifer Protection Overlay Map. I ask that the record be corrected and the members of the ZBA be informed on this inaccurate statement.

Thank you and best Regards,

Matthew D. Bangert
