Dawn, I do not have a copy of the appeal myself, I believe it was turned into Michele. She is not in the office today but once I have eyes on it I will provide you a copy of it and will provide notice of the hearing. Expect to hear back from me on Monday, regarding the appeal.

Thank you,

Dawson Gay

Thank you. It is my understanding that an appeal needs to have a valid reason or the appeal is denied. What is the reason for the appeal?

Subject: [EXT] Bridge Appeal to ZBA

Hello Dawn, I am writing to you today because one of the abutters has filed for an appeal before the ZBA regarding my decision to grant you a building permit for the bridge. Per RSA 676:6, "An appeal of the issuance of any permit or certificate shall be deemed to suspend such permit or certificate, and no construction, alteration, or change of use which is contingent upon it shall be commenced." So until the ZBA has its hearing and makes a decision, no work can be done regarding the bridge. I have yet to hear when the ZBA is scheduling this meeting for, and will keep you updated as to when the meeting is scheduled for an so on.

Thank you,

Dawson Gay
