Hello,

I wanted to confirm this, but while the bridge building permit is being appealed, the permit is on hold.

Dawson, reach out to Neil today if you have questions.

Thank you,
Michele

RSA 676:6:

The effect of an appeal to the board shall be to maintain the status quo. **An appeal of the issuance of any permit or certificate shall be deemed to suspend such permit or certificate, and no construction, alteration, or change of use which is contingent upon it shall be commenced.** An appeal of any order or other enforcement action shall stay all proceedings under the action appealed from unless the officer from whom the appeal is taken certifies to the board of adjustment, after notice of appeal shall have been filed with such officer, that, by reason of facts stated in the certificate, a stay would, in the officer's opinion, cause imminent peril to life, health, safety, property, or the environment.

Hello!

Schedule as needed. When do you want to meet.

But what happens to the building permit in the mean time? Can they build the bridge?

Hello!

We did get the administrative appeal in. I have not read it yet, but
am heading out of town tomorrow so will not have a chance to
review it.

I have labels and I have a check.
