Dear Caryn,

I'm so glad that we have a Land Use Administrator once again. Welcome!

Here are the links to three videos that I recorded last spring of a brook flowing (from west to east) out of the Barrett Hill property and into lot B-144. The stone wall in the video is the one that runs north-south between A-44 and B-144. The water is flowing between a break in that wall. The brook continues down the hill, into a small stream near the end of Isaac Fry and on into the Stoney Brook. These are the videos that I submitted to the Planning Board in the spring and referenced at tonight's ZBA meeting.

Please share the links with the Zoning Board and add them to the ZBA case file.
Please also let me know that you received this.

Thanks!
Marilyn Jonas
