To the Town of Wilton, NH Zoning Board of Adjustment,

My wife, Jessica Trask, and I live at 772 Isaac Frye Hwy. We are writing concerning the Lot C-47 garage replacement requested by Robert and Sara Spittel at 748 Isaac Frye Hwy. Having talked with Robert and Sara about their proposed replacement, we believe that not only would their project not detract from the charm of the area, but would improve it. We are fully in support of this variance being approved.

Thank you for your time,

David Estey and Jessica Trask
