**Subject:** RE: 27 Island Street Special Exception and Variance

Hi Caryn.

Ironic, I noticed that on the page and meant to call that out to you.

I will change and resend.

Here are the addresses of the three other parties who should receive notification of the Jan 9th meeting:

- Josh Skoog, New Hampshire Demolition, 792 Londonderry Turnpike, Auburn, NH 03032
- Gregg Jeffrey, Jeffrey Land Survey, LLC, 46 Batten Road, Bristol, NH 03222
- Robert Vorbach, Vorbach Architecture, 28 Abbott Street, Nashua, NH 03064

Robert will be attending the meeting with me. Tomorrow I will drop off a check, 8- 11"x17" copies of the survey plan plus one large copy tubed, and copies of both applications.

I will forward via email the architect's blue prints and home diagrams, I will also have 8 copies made of blue prints and home diagrams. I expect to receive the info next Tuesday the 26th.

Thank you.

Bill

Good Evening Bill,

Please edit your Application for Special Exception page to read 17.3 NOT 17.1(d) and re-send that page.

Thank you!!
