

Paws from Heaven Board & Training Information and Daily Routine

- “ All client dogs sleep in size appropriate crates or 4x6 kennels.
- “ Maximum of 3 dogs at a time will be in my home for training.
- “ Client pickup and drop off will be between the hours of 8am-5pm.
- “ Training duration is 2-10 week depending on type of training needed (basic obedience, service dog training)
- “ Initial client consultation and follow up training will be conducted at their home or in public - not at my home.
- “ There are 2 video/audio cameras to alert me of any barking/whining/howling so I can take immediate action
- “ Client dogs will never be left alone.
- “ All client dogs will wear 2 leashes when outside; one 6ft tabbed slip lead and one 15-20ft longline attached to a flat collar. (will provide examples of each)
- “ 7:30-8am morning potty on leashes in my yard and not off the property.
- “ After potty all training will be inside in my training space in the basement or off site and WILL NOT be in the yard, except for my personal dogs
- “ On average I'm away from the house for 4-8 hours daily 7 days a week.
- “ Evening supervised dog downtime will be conducted in the training area.
- “ 9:00pm night potty in my yard only.
- “ Bedtime/quiet time – in crates or kennels.
