

## Paws from Heaven Fire Plan

1. Slip leashes exceeding the number of dogs will always be available at the doorway leading to basement training space.
2. Dogs will be brought out the nearest exit which is through the bulkhead or if fire is present there, then up the stairs and out the back door of the house and secured in crates in Paws from Heaven truck
3. Fire plan will be mounted on the wall of the kennel.
4. Space is equipped With Fire Extinguishers and Smoke Alarms
