

**Town of Wilton, NH**  
**Application to the Zoning Board of Adjustment**  
**(Revised August 2022)**  
**Instructions, Page 1 of 2**

**This application must be complete and filed in the Wilton Town Office, along with an abutter list, and with all fees paid, 14 days before the meeting at which the application is to be considered. If it is filed a week before that deadline, then we will try to contact you for additional information if it is incomplete. Otherwise, an incomplete application may result in your application being delayed until the following month.**

**If you have any questions about how to complete this application, please contact the Zoning Board chairperson or clerk, whose names and phone numbers you can get at the Wilton Town Office.**

**We will be happy to help you understand the Zoning Board application process and legal requirements, but we cannot advise you on your personal situation. If you are uncertain about how the zoning laws apply to your case, we recommend that you obtain professional advice.**

### **General Instructions**

Use this form for all applications to the Wilton Zoning Board, except:

- If the Selectmen, Planning Board, Building Inspector, or any other town board or official has made a decision to allow someone else to do something that you don't think they should be allowed to do, use the *Third-Party Appeal of Administrative Decision* form.
- To ask the Zoning Board to hold a new hearing to reconsider a decision that it made at a previous meeting, use the *Request for Rehearing* form.

### **Contents of an Application**

Your application must include the "General Information" section and at least one application for a special exception, variance, equitable waiver, appeal of administrative decision, or request for an extension. You may include more than one application section, as long as they are all for the same proposed use.

For example, you might appeal an administrative decision, and also apply for a variance that would permit the same use, in case the appeal is denied; or you might have a proposed use that would require several variances and special exceptions.

### **Fee**

The fee is \$125 for the application, plus \$10 for each abutter.

### **Abutter List**

The abutter list must include the name and mailing address of

- the applicant,
- the property owner or owners,
- every person who owns property which touches any lot involved in the application (even at a corner) or is directly or diagonally across a road, stream, river, or railway right-of-way from a lot involved in the application, and
- the holders of any conservation, preservation, or agricultural preservation restrictions on any of the lots involved in the application.

Include the lot numbers of the all the abutting lots owned by each abutter.

You must also provide the abutter list (without the lot numbers) on two sets of adhesive mailing labels, no larger than 1½ × 3¼ inches.

**Instructions, Page 2 of 2**

**It is your responsibility to provide an accurate abutter list. A Zoning Board decision that is made without notifying all abutters may not be valid, and an abutter who was not properly notified may be able to have the decision overturned.**

**Burden of Proof**

The applicant shall have the burden of proving any historical facts relevant to an appeal before the Board. Such relevant historical facts include, but are not limited to, the date on which a lot, structure, or use came into existence.

Proof that a lot existed as a Lot of Record (Zoning Ordinance Section 3.1.19) on a particular date shall require signed certification to that effect by an attorney or licensed land surveyor, accompanied by copies of the deed or deeds from the Hillsborough County Registry of Deeds that support that conclusion.

The existence of a structure or use on a particular date may be established by testimony or by documentary evidence.

**Alternative Applications**

If you are applying for a variance for reduced setbacks, frontage, or lot size, please read sections 17.2 and 17.3 of the Zoning Ordinance to see if they apply to your situation.

If you are applying for a variance from dimensional requirements for a building or structure that has already been built, please look at the "Application for an Equitable Waiver" in this package to see if it applies to your situation.

**Proposed Use**

**Explain what you want to do with the property.** (Do you want to build a building, subdivide a lot, have a business, ...).

**Explain why you need the Zoning Board to let you do it.** (The building will be too close to the lot line; the Planning Board wouldn't approve your subdivision; your lot is in a zoning district where businesses aren't allowed; ...).

**Be specific.** Identify the section or sections of the Zoning Ordinance that apply. If lot sizes or configurations or building placements are relevant, provide a scale drawing or plan showing all relevant information, such as lot lines, setbacks, present and proposed structures on your lot and neighboring lots, etc.

**Application for a Special Exception**

A Special Exception is a use which is permitted by the Zoning Ordinance, but requires approval from the Zoning Board. Every special exception is allowed by some section or subsection of the Ordinance. Most special exceptions have a list of requirements; the Zoning Board can only approve the special exception if it finds that all the requirements are satisfied.

**Note that in addition to the specific requirements that may be listed for a particular special exception, all special exceptions are subject to the general requirements in Section 4.12 of the Zoning Ordinance.**

What section of the Zoning Ordinance defines the Special Exception that you are applying for? \_\_\_\_\_

**Application for a Variance, Page 1 of 2**

When, because of the specific characteristics of your property, the Zoning Ordinance unreasonably restricts your use of your property without a corresponding public benefit, the Zoning Board may grant a Variance, which modifies or sets aside particular requirements of the Ordinance.

The specific section of the Zoning Ordinance to be varied: \_\_\_\_\_

The requirement in that section that you want to change, and how you want it changed:

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

To grant a variance, the Zoning Board must find that it will satisfy each of the following five conditions. Please explain why you believe that each of the following statements is true (attach additional pages as necessary).

**These five conditions come from the New Hampshire statutes and decisions of the state Supreme Court. Unless you are familiar with Zoning law, the language of these conditions probably does not mean what you think it means. If you have not applied for a variance before, we recommend that you consult with the Wilton Land Use Administrator or obtain professional advice.**

1. Granting the variance would not be contrary to the public interest: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

2. Granting the variance would be consistent with the spirit of the Ordinance: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

3. Granting the variance would do substantial justice: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

4. The proposed use will not diminish surrounding property values: \_\_\_\_\_

5. Literal enforcement of the provision of the ordinance would result in unnecessary hardship.  
**Complete section 5(a), 5(b), OR 5(c):**

**5(a)** i. Owing to special conditions of the property that distinguish it from other properties in the area:

---

---

---

ii. no fair and substantial relationship exists between the general public purposes of the ordinance provision and the specific application of that provision to the property:

---

---

---

---

iii. and the proposed use is a reasonable one:

---

---

---

---

**5(b)** Owing to special conditions of the property that distinguish it from other properties in the area, the property cannot be reasonably used in strict conformance with the ordinance, and a variance is therefore necessary to enable a reasonable use of it

---

---

---

---

**5(c) Hardship resulting from a physical disability.**

i. The variance is necessary to make reasonable accommodations to allow a person with a recognized physical disability to reside in or regularly use the premises:

---

---

---

---

ii. The variance is in harmony with the general purpose and intent of the zoning ordinance:

**Application for an Equitable Waiver, Page 1 of 2**

When a lot or other division of land, or structure thereupon, is discovered to be in violation of a physical layout or dimensional requirement imposed by the Zoning Ordinance, the Zoning Board can grant an "Equitable Waiver" from the requirement. See RSA 674:33-a.

What requirement of the Zoning Ordinance is violated? \_\_\_\_\_

\_\_\_\_\_

What section of the Zoning Ordinance is the requirement in? \_\_\_\_\_

It is your responsibility to prove each of the following facts to the Zoning Board. Please explain why you believe that each of the following statements is true. (Use additional sheets of paper if necessary.) See the note on "Burden of Proof" in the "General Information" section at the beginning of this application.

1. Either:

(a) The violation was not noticed or discovered by any owner, former owner, owner's agent or representative, or municipal official, until after a structure in violation had been substantially completed, or until after a lot or other division of land in violation had been subdivided by conveyance to a bona fide purchaser for value: \_\_\_\_\_

\_\_\_\_\_

(b) The violation was not an outcome of ignorance of the law or ordinance, failure to inquire, obfuscation, misrepresentation, or bad faith on the part of any owner, owner's agent or representative, but was instead caused by either a good faith error in measurement or calculation made by an owner or owner's agent, or by an error in ordinance interpretation or applicability made by a municipal official in the process of issuing a permit over which that official had authority: \_\_\_\_\_

\_\_\_\_\_

(c) The physical or dimensional violation does not constitute a public or private nuisance, nor diminish the value of other property in the area, nor interfere with or adversely affect any present or permissible future uses of any such property: \_\_\_\_\_

\_\_\_\_\_

(d) Due to the degree of past construction or investment made in ignorance of the facts constituting the violation, the cost of correction so far outweighs any public benefit to be gained, that it would be inequitable to require the violation to be corrected: \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

**(continued on the next page)**

2. Or:

The violation has existed for 10 years or more, and no enforcement action, including written notice of violation, has been commenced against the violation during that time by the municipality or any person directly affected. \_\_\_\_\_

**Request for an Extension**

**Wilton Zoning Ordinance, Section 17.4:** If construction has not begun or the use has not commenced within two (2) years of the granting of [a] variance or special exception ..., then the variance or special exception shall expire. ... Upon application, extensions of time in which to exercise the rights accorded by the variance or special exception may be granted by the Zoning Board of Adjustment for good cause shown beyond the reasonable control or contemplation of the applicant and not prejudicial to the intent and spirit of the Zoning Ordinance.

**A request for an extension MUST be filed BEFORE, but no more than 90 days before, the expiration date of the variance or special exception.**

What is the decision that you wish to extend? (Give the ZBA case number, or the original decision date and applicant, or just attach a copy of the original decision.) \_\_\_\_\_

---

---

What cause, beyond your reasonable control or contemplation, justifies the extension? \_\_\_\_\_

---
