

Minutes Wilton ZBA, meeting to decide rehearing of Vanetti case  
November 8, 1989 7:10 P. M.

Present board: Neil Faiman, Grayson Parker, Tom Mitchell, Roger Wellington, George Infanti

Acting clerk: Neil Faiman

Chair opened meeting and stated that purpose was to take a vote on the request of Joanna Eckstrom for a rehearing on the Vanetti case. A motion for denial was requested.

Grayson Parker motioned for denial of rehearing.

Second by George Infanti

Chair noted that substance of request was discussed at the last meeting, on November 1, 1989 and even though Mitchell believes that the request has no standing according to RSA 677:2, a decision of substance is preferred to one of form.

No discussion was given; vote was 4-0 in favor of denial, Faiman abstained because he was not able to see the request letter.

No rehearing is to be scheduled.

Wellington moved to adjourn; seconded by Parker.
