

TOWN OF WILTON  
Zoning Board of Adjustment

**DATE:** January 8, 2022  
**TIME:** 10:00 AM  
**PLACE:** 106 Intervale Road – outside only  
**PRESENT:** Neil Faiman (Chair), Judith Klinghoffer (Alternate), Paul Levesque, Jeff Stone, Bill Artemik, Patricia Sluz, Michele Decoteau (Board Secretary)

**Call to order by the Chairperson**

N. Faiman opened the meeting at 10:05 AM. He reviewed the rules of a site walk.

B. Artemik noted the parking area. B. Artemik showed the range area behind the house that was next to the river. He said it was down angle. There is no beach area.

P. Sluz noted that there was a trail along the slope across the river. She said it was in common use. J. Stone noted that the trail was very steep.

B. Artemik noted that they had not seen any kayakers since 2003 on the river. In response to a question from a Board member, B. Artemik noted that his gun safes are located inside the house and not in an outbuildings. He had been audited by the ATF and had no issues.

In response to a question from a Board member, B. Artemik said that lead is not common in bullets any more. He also noted that the police department sent a representative to this area and confirmed that he was in compliance for the location of his range.

N. Faiman closed the site walk at 10:24 AM.
